The Performance Management Organization (PMO) score is a composite index of implementation quality. The PMO is built around 14 functions that effective schools have mastered. In each of the 14 areas, school personnel responses and field researcher observations were rated and compiled. Final scores were calculated as follows:

As an indicator of overall student achievement, we provide information regarding CRM students’ performance on state standardized tests in reading and math. These data are publicly available from the Louisiana Department of Education. For each year of school operation, we report the percentage of students attending KIPP East Community School achieving proficiency or above on Louisiana’s state standardized tests in both reading and math.

KIPP East, as a fresh start school first opened in 2014, did not have tested grades within the study period. They currently serve grades K through 3.

### School Proficiency Level
- **Reading:**
  - Year 1: n/a
  - Year 2: n/a
  - Year 3: n/a
  - Year 4: 94%
  - Year 5: 145%
- **Math:**
  - Year 1: n/a
  - Year 2: n/a
  - Year 3: n/a
  - Year 4: 94%
  - Year 5: 145%

### Implementation Summary
KIPP East Community School is the second KIPP NOLA school to join the CRM. KIPP East opened late in this evaluation, so we have limited Implementation Study data on this school. However, they appeared to establish culture and systems early, not unlike their sister CRM school KIPP Believe Primary.
